Teacher note

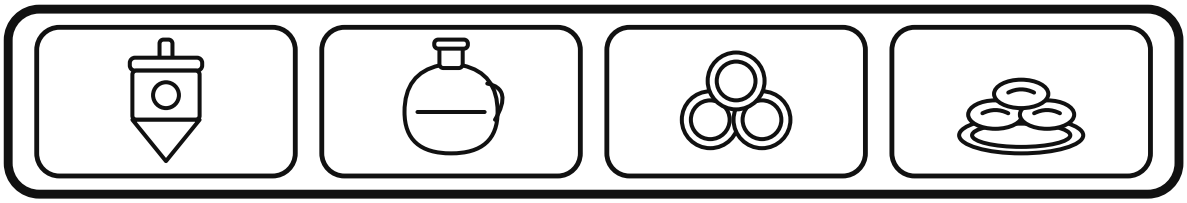

One page a day for the week: read the mini-book together on day 1 and answer the questions, put the word mat on the tables for writing, colour a bunting flag each and hang the banner, make the dreidels and play, then finish with the colouring, the word search and the colour-by-code sum. Answer keys are in the pack; pull them out before you photocopy.

Hanukkah 2026 begins at sundown on Friday 4 December and lasts eight nights, to Saturday 12 December.

Printing: print at 100% (actual size). The reader's mini-book is one sheet that folds into 8 little pages; the steps are on its web page. The word mat pages are landscape. Each page has a QR code that opens its own page, where it can also be coloured online or printed again on its own.

Hanukkah is a Jewish festival. It is also called the Festival of Lights. It lasts for eight nights. It comes in November or December each year.

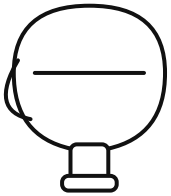

3

Long ago, a group of Jewish people called the Maccabees won back their Temple in Jerusalem. The word Hanukkah means dedication. The festival remembers the day the Temple was made ready again.

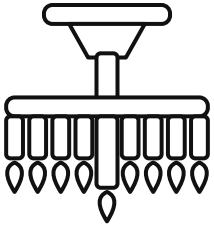

4

A story says they found only one little jar of oil, enough for one day. But the lamp stayed lit for eight days. That is why Hanukkah lasts for eight nights.

5

Families light a menorah. It holds nine candles. One candle is the helper, called the shamash. It lights the others. One candle is lit on the first night, and one more is added each night.
