How invoiced orders work

1. Send the request.

Use the form at colouringnest.com/licences/quote/ or email support@colouringnest.com. Tell us how many sites, for 1 or 2 years, and your purchase order (PO) number if you have one.

2. We reply with an invoice.

Within 2 business days we email a Stripe invoice (for 5 or more sites, a quote to approve first). Your PO number is printed on it, and you have 30 days to pay.

3. Access starts straight away.

Your download link comes with the invoice, so staff can start printing as soon as it is issued, before payment.

4. Pay online.

Pay by card from the secure link on the invoice, any time within the 30 days.

5. Nothing renews by itself.

The licence runs for 12 or 24 months from the invoice date. To carry on after that, ask for a new invoice.
