Christmas Dinner Disaster

Read-aloud example: our silly words are in the grey boxes.

Every year Uncle Dave cooks Christmas dinner, and every year something goes wrong. This year the turkey was so gigantic that it would not fit in the oven, so Uncle Dave cooked it in the dishwasher instead. The potatoes came out blue, the gravy tasted like toothpaste, and the Brussels sprouts started to sing the moment they reached the table. Grandma said the pudding was crunchy but she ate 14 helpings anyway. Then the dog ran off with the tablecloth and the cat climbed into the trifle. Everyone was shrieking loudly when the crackers went bang and filled the room with rubber ducks. Uncle Dave simply stood up, raised a glass and said Cheers! Same time next year?
