Make a face

Roll balls for eyes and a nose, a snake for a smile, lots of thin snakes for hair.

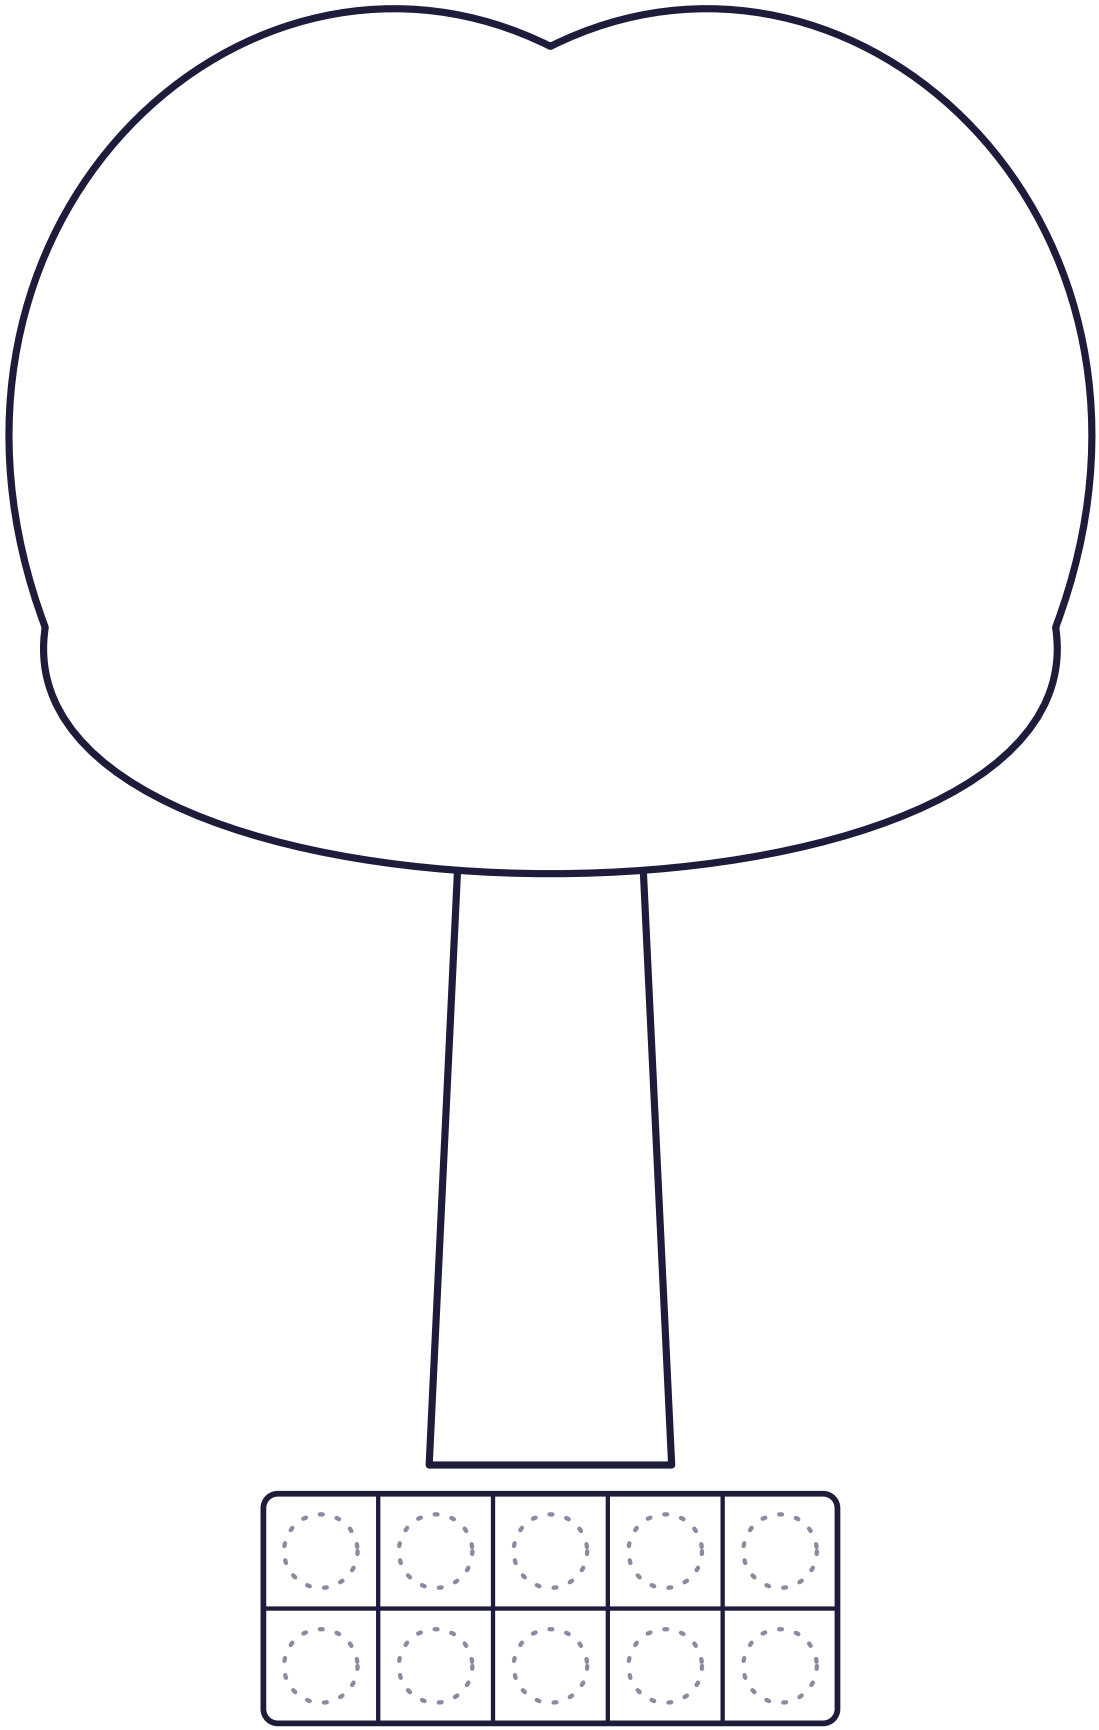

Ladybird spots

Roll spots for the ladybird. Count them. Can you make both sides the same?

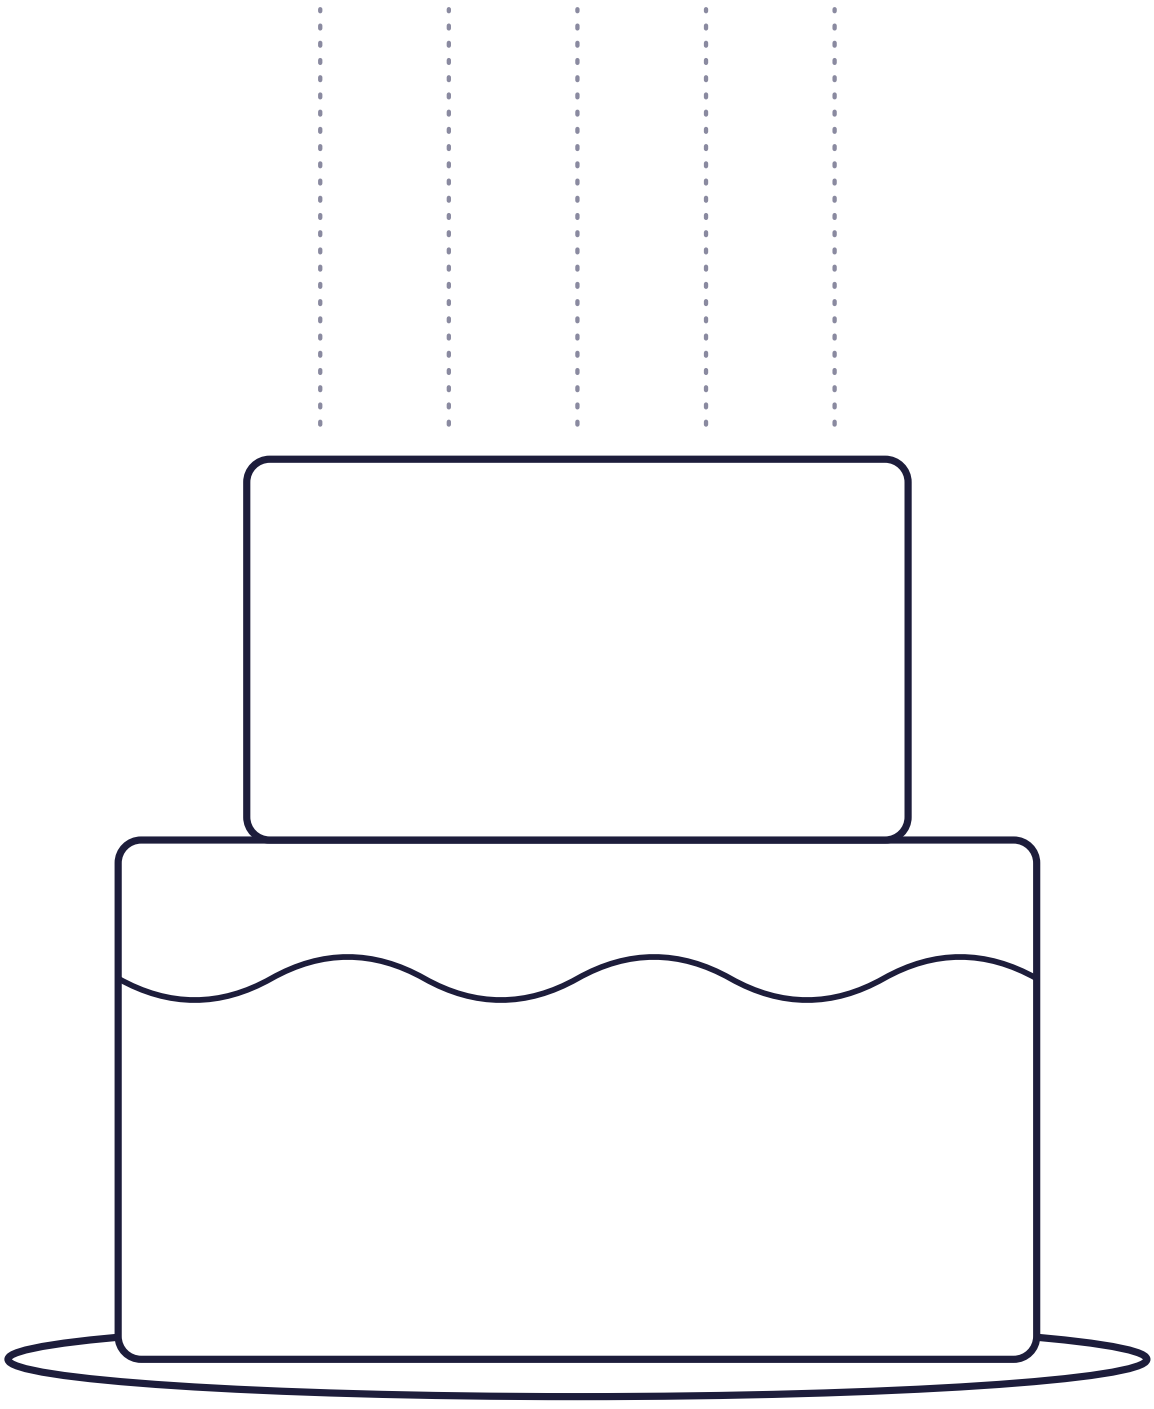

Apples on the tree

Roll ten apples for the tree. Put one in each circle at the bottom to check.

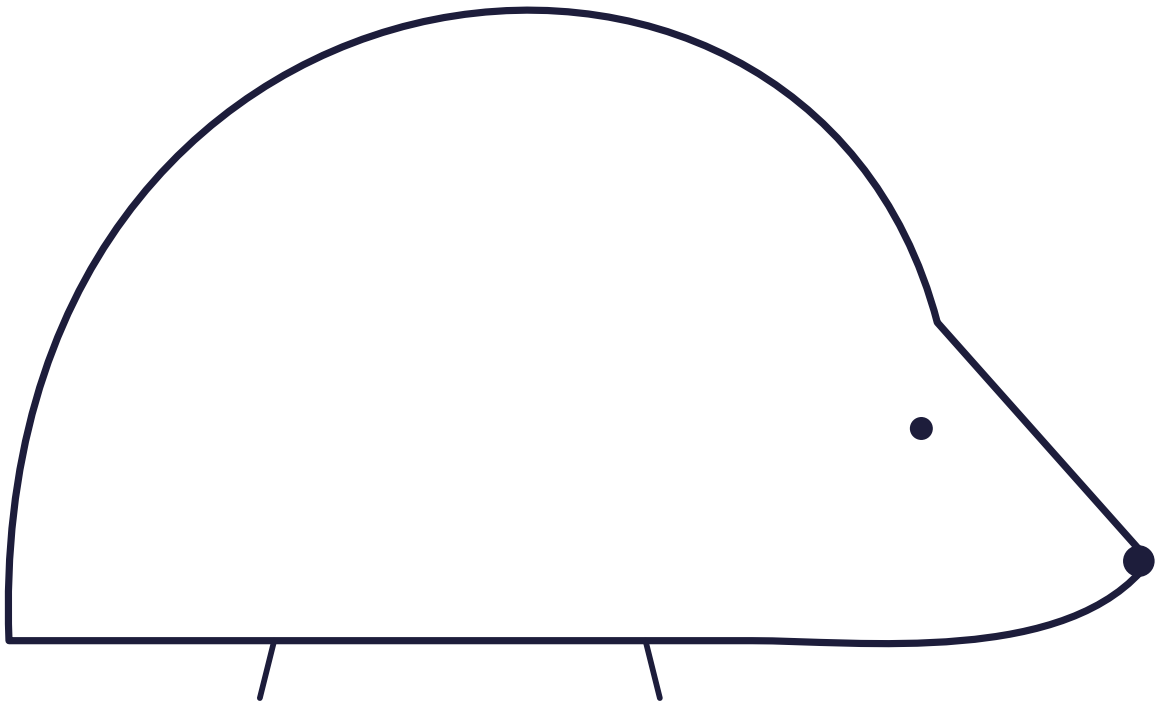

Birthday cake

Roll snakes for candles and balls for flames. How old is the cake for?

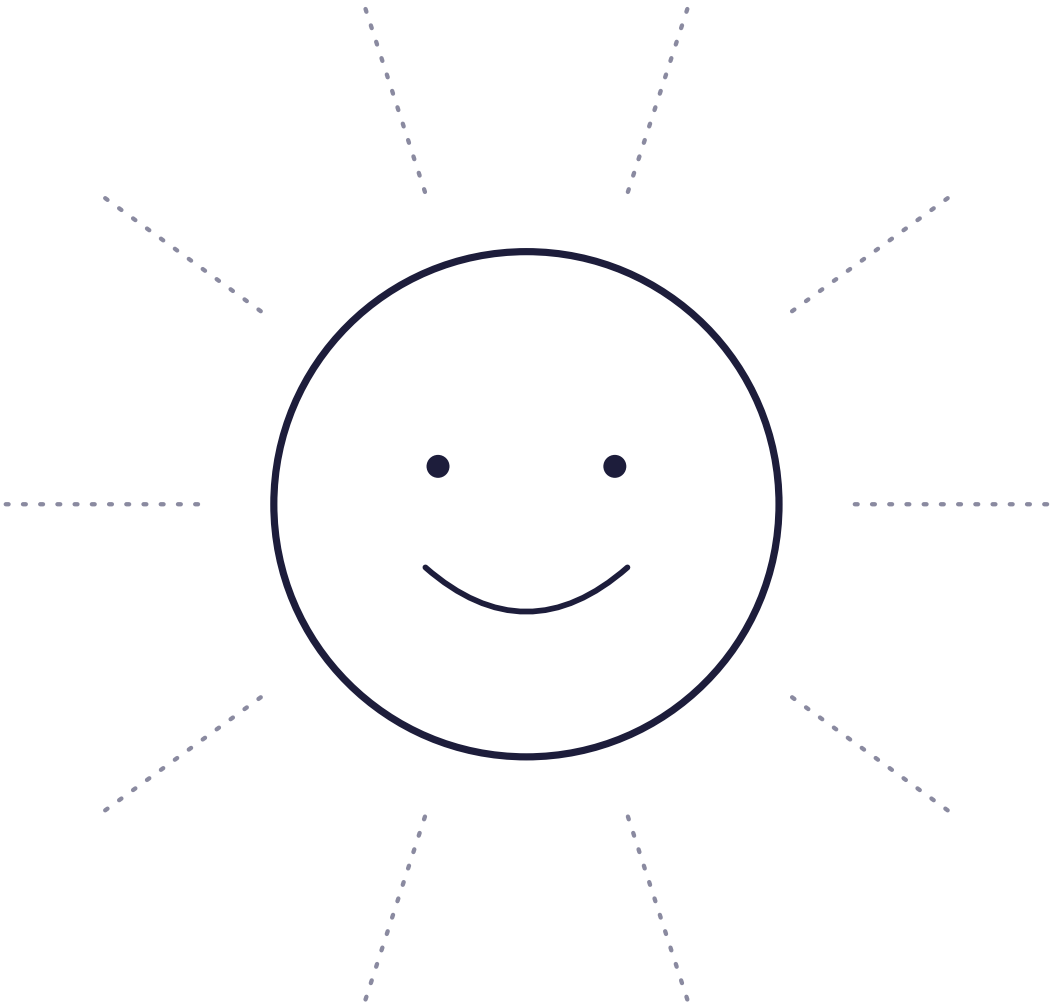

Hedgehog spikes

Roll lots of short snakes and press them on for spikes.

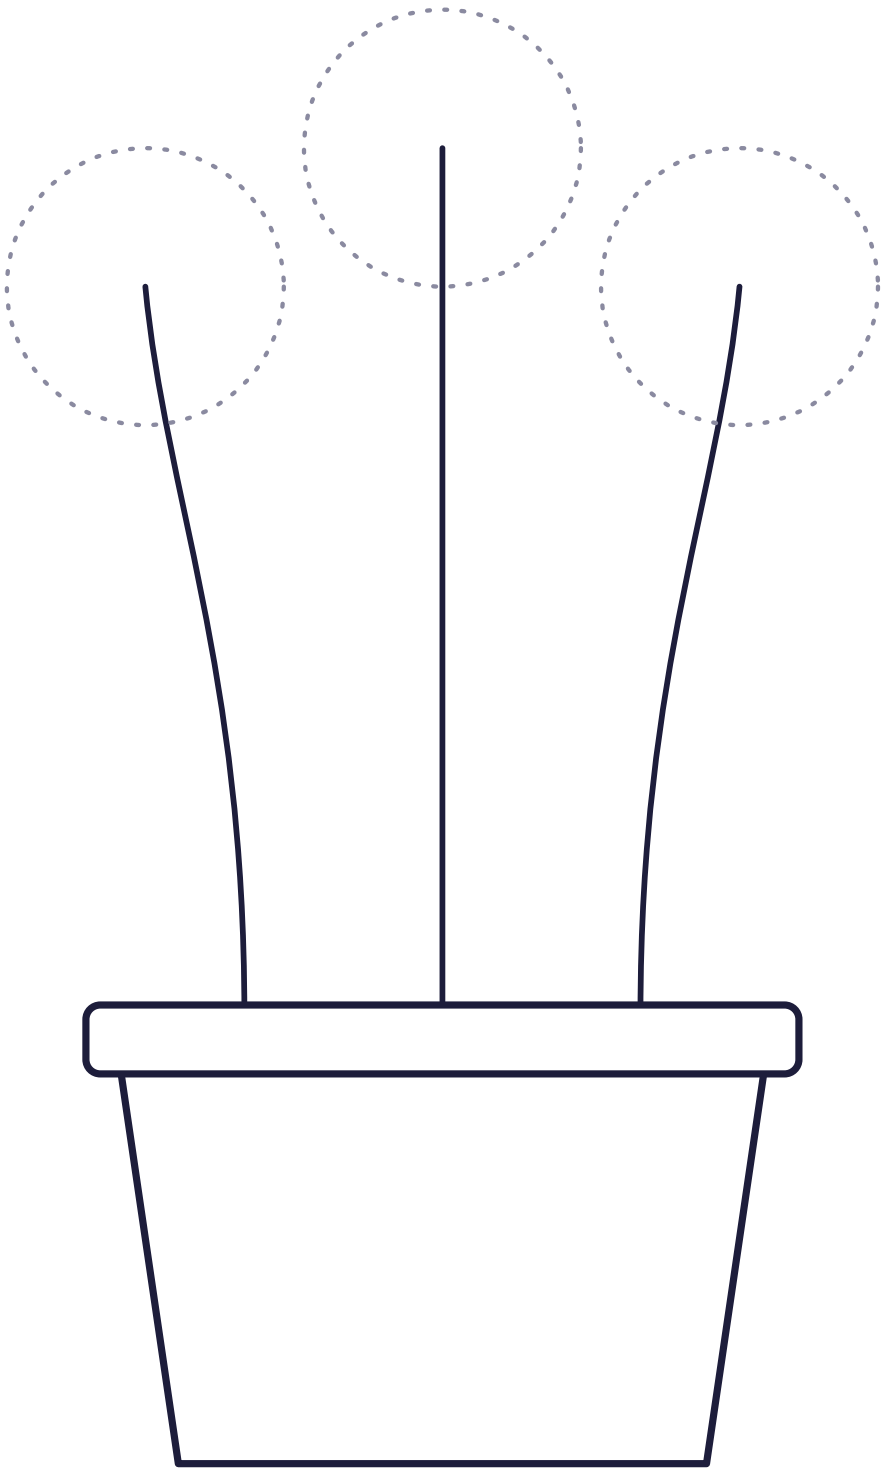

Sunshine

Roll snakes for the sun’s rays. Make them long, short, straight or wiggly.

Flower pot

Make a flower on top of each stem: a ball for the middle and petals all round.

Snake on the path

Roll one long snake and lay it along the path from the dot to the house.
