How to draw a reindeer face

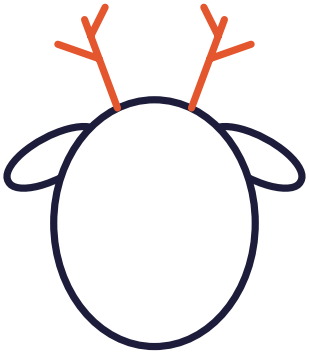

1. Draw a big oval for the reindeer's head, taller than it is wide.

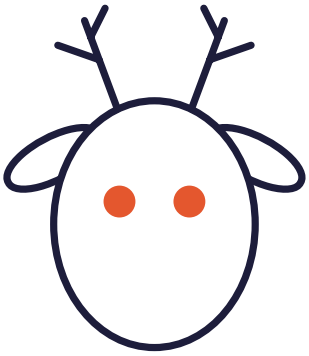

2. Draw two leaf-shaped ears poking out at the sides of the head.

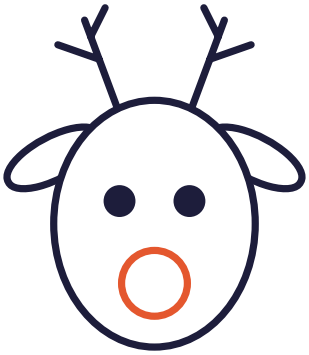

3. Draw the antlers: a line going up from each side of the head, with two short branches.

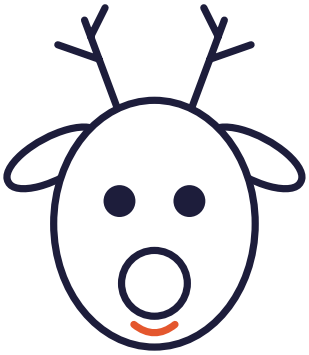

4. Draw two big round eyes.

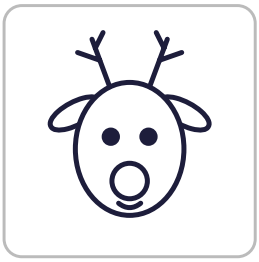

5. Draw a big round nose near the bottom of the face.

6. Draw a small smile under the nose.
