Small world Easier ☆

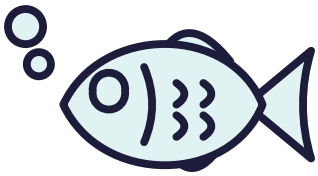

Put the farm animals to bed.

Small world Easier ☆

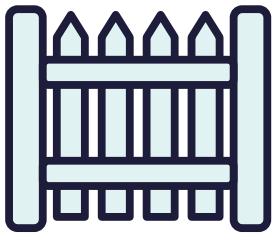

Make a traffic jam with the cars.

Small world Easier ☆

Sort the animals: sea, farm and wild.

Small world Harder ☆☆

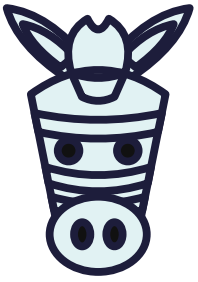

Build a home for the animals with a fence and a gate.

Small world Harder ☆☆

Act out a story with the people and a house.

Small world Harder ☆☆

Make a map of the zoo and label it.

For grown-ups Small world · easier

"Make a traffic jam with the cars."

Ask:

- Which car is first? Which is last?
- How many cars?
- Why are they stuck?

Look for:

first, next and last

For grown-ups Small world · easier

"Put the farm animals to bed."

Ask:

- Where does each animal sleep?
- How many animals are there?
- Who is next to the pig?

Look for:

position words, sorting

For grown-ups Small world · harder

"Build a home for the animals with a fence and a gate."

Ask:

- How will they get out?
- Is it big enough for all of them?
- What else do they need?

Look for:

enclosures, planning

For grown-ups Small world · easier

"Sort the animals: sea, farm and wild."

Ask:

- Why does it go there?
- Could it go in two groups?
- Which group has the most?

Look for:

sorting by a rule

For grown-ups Small world · harder

"Make a map of the zoo and label it."

Ask:

- Where do the zebras live?
- How do visitors get around?
- What will you write on the labels?

Look for:

maps, labels, early writing

For grown-ups Small world · harder

"Act out a story with the people and a house."

Ask:

- Who is in your story?
- What is the problem?
- How does it end?

Look for:

telling a story with a problem
