Printable inch ruler marked to 1/16 inch

Five 6-inch rulers. Longest marks: inches, then 1/2, 1/4, 1/8 and the shortest 1/16 inch.

2 cm

1 in

Check after printing: these squares should be exactly 2 cm and 1 inch on each side.
Print at 100% or “Actual size”. Turn off “Fit to page”, “Shrink to fit” and “Fit to printable area”.
If a square is out, so is every ruler on this page: change the setting and print again.
