Printable millimetre ruler (0 to 150 mm)

Numbered in millimetres: 10, 20, 30 and on to 150. Every small mark is 1 mm.

2 cm

1 in

Check after printing: these squares should be exactly 2 cm and 1 inch on each side.
Print at 100% or “Actual size”. Turn off “Fit to page”, “Shrink to fit” and “Fit to printable area”.
If a square is out, so is every ruler on this page: change the setting and print again.
