# My science investigation

Kindergarten to grade 2 · Years 1 to 3

Name _____ Date _____

**My question:** I wonder what will happen if...

**I think this will happen because**

**What I need** draw or write

**What I did**

1.

2.

3.

**What happened** draw it

**I found out**

Was your guess right? It is fine if it was not: scientists learn the most from surprises.
