Plant growth investigation

Grades 3 to 5 · Years 4 to 6 · page 1: measure

Name _____ Date _____

Day	Date	Height (cm)	Leaves	Colour	Notes

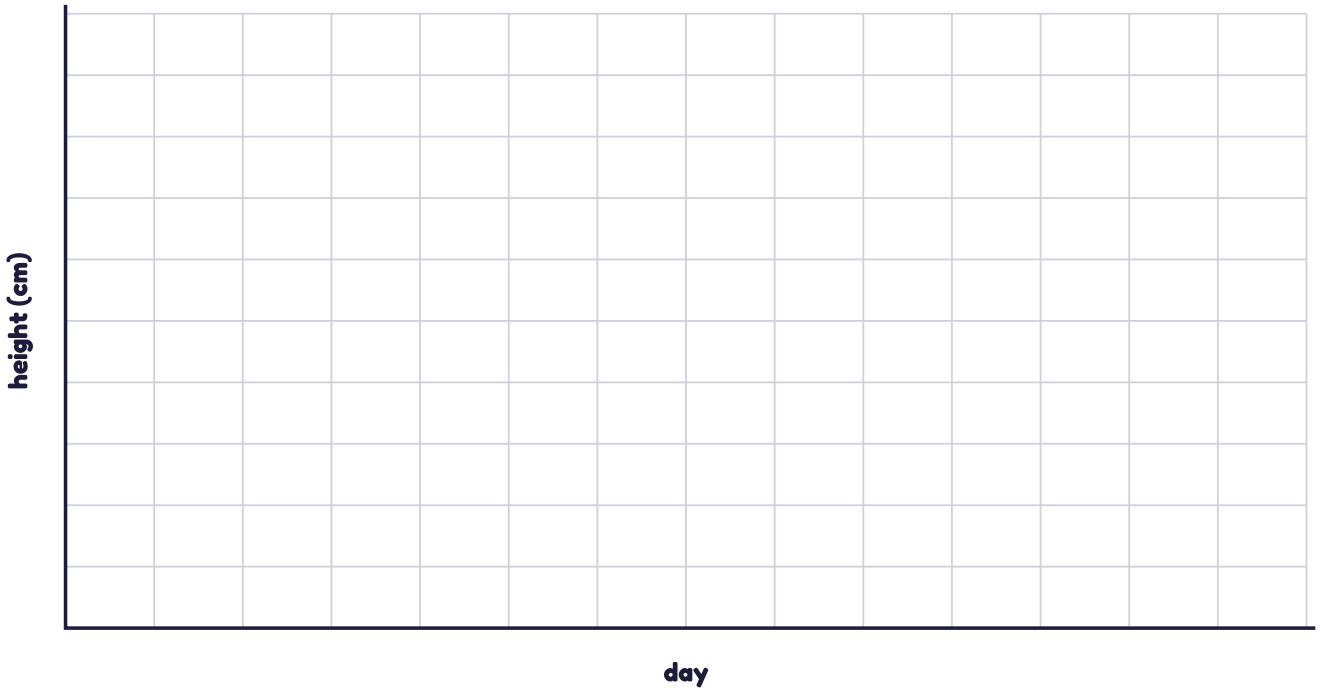

Biggest growth in one day _____ between day _____

Total growth _____ Days to sprout _____

Measure at the same time of day with the same ruler, from the soil to the tip of the shoot.

Plant growth investigation

Grades 3 to 5 · Years 4 to 6 · page 2: graph and test

Does a bean need light to grow? Grow one in the light and one in the dark.

In the light: draw it

In the dark: draw it

What was different, and what did I keep the same?

Keep the same: seeds, pots, soil, water and warmth. Change only the light.
