Weather observation log

Grades 3 to 5 · Years 4 to 6 · page 1: two weeks of records

Name _____ Date _____

Date	Time	Temp in shade (deg C)	Rain (mm)	Cloud	Wind from	Wind strength

Key Cloud: clear, some, mostly, all. Wind strength: calm, light, breezy, strong.

Wind from: the direction the wind is blowing FROM (N, NE, E, SE, S, SW, W, NW).
A wind blowing from the west towards the east is a west wind.

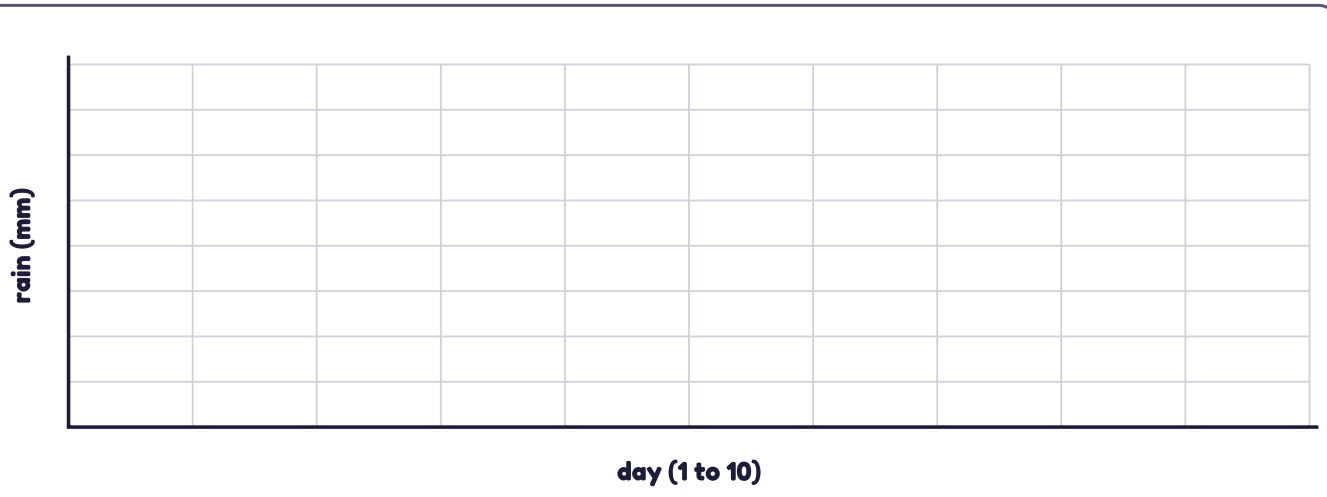

Warmest day _____ Total rain _____

Read the thermometer in the shade, about the height of a grown-up's chest, at the same time every day.

Weather observation log

Grades 3 to 5 · Years 4 to 6 · page 2: graph it

What pattern do I notice? Was a rainy day warmer or cooler?

Temperature: a line graph. Rain: a bar for each day, even the dry ones (0 mm).
