Answers: is it a triangle?

1

yes no

2

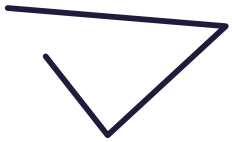

yes no

3

yes no

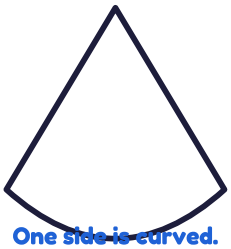

4

There is a gap: it is not closed.

yes no

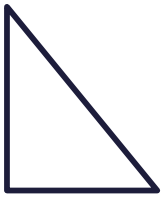

5

One side is curved.

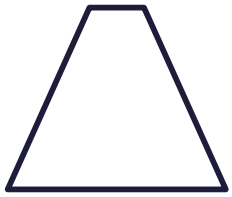

yes no

6

yes no

7

It has 4 sides.

yes no

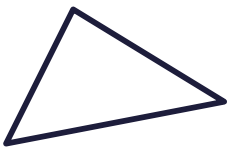

8

Only 2 sides, and it is not closed.

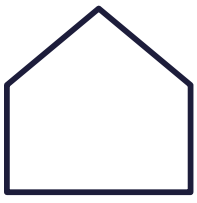

yes no

9

yes no

10

It has 5 sides.

yes no

11

yes no

12

One side is wavy, not straight.

yes no

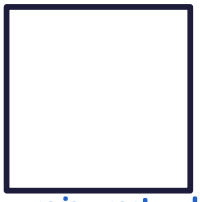

Answers: is it a rectangle?

1

yes no

2

Yes: a square is a rectangle with 4 equal sides.

yes no

3

No square corners.

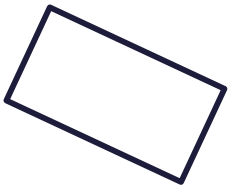

yes no

4

yes no

5

yes no

6

No square corners: two sides slope.

yes no

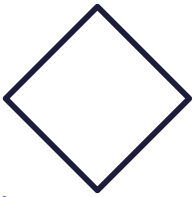

7

There is a gap: it is not closed.

yes no

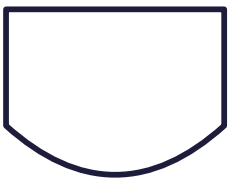

8

Yes: it is a square turned on its corner.

yes no

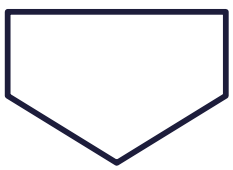

9

One side is curved.

yes no

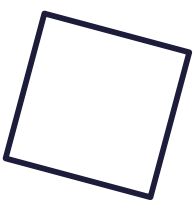

10

It has 5 sides.

yes no

11

yes no

12

It has 4 sides but only 2 square corners.

yes no
