Shape sort cards

Cut out the 18 cards. Use them with the sorting mat (level 1) or the Venn diagram (level 2).

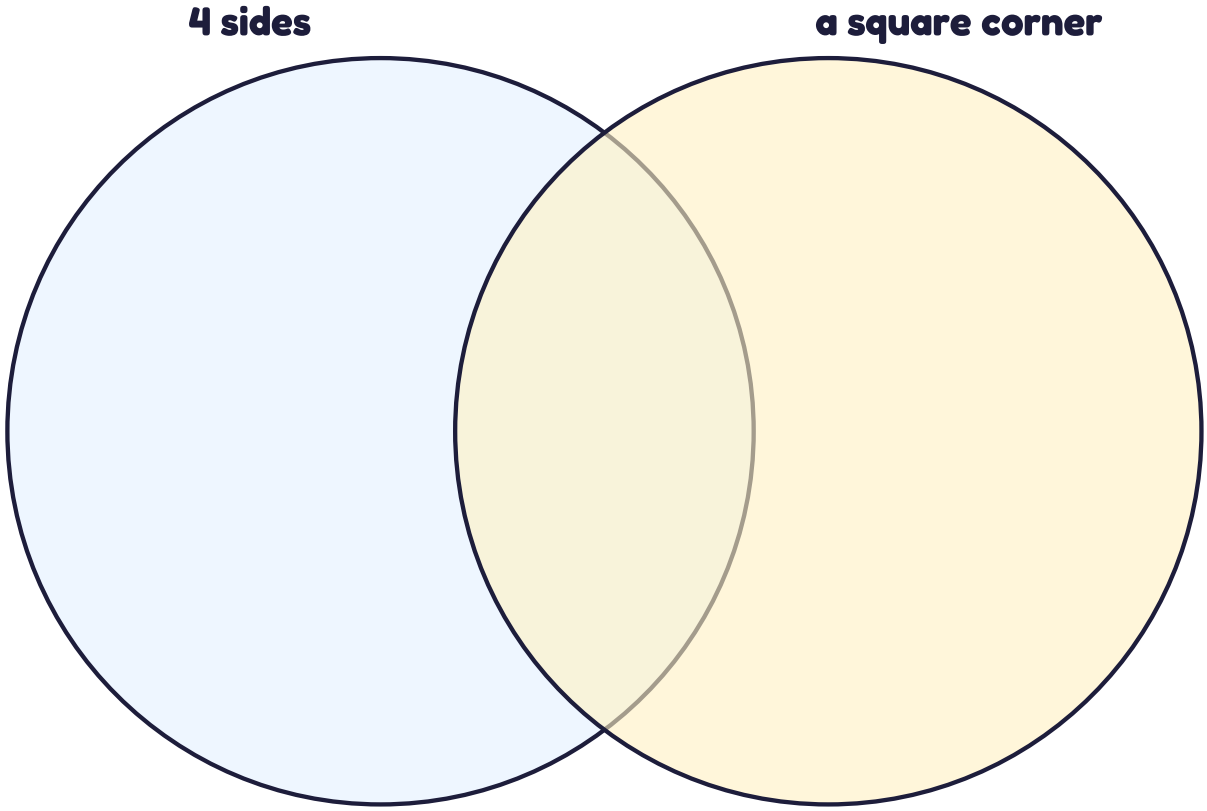

Sort the shapes: count the sides

Put each card in the right column. Count the sides with a finger.

3 sides	4 sides	More than 4 sides	Curved

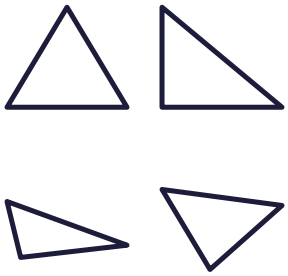

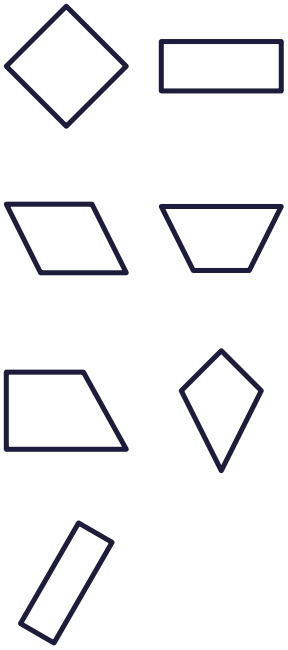

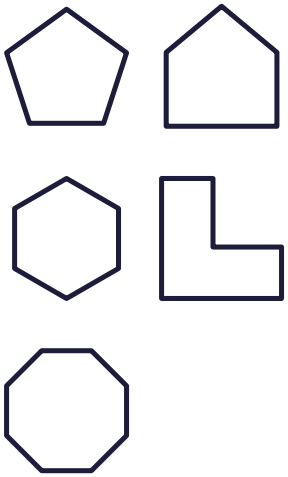

Sort the shapes: Venn diagram

Put each card in the right place. Does it have 4 sides? A square corner? Both? Neither?

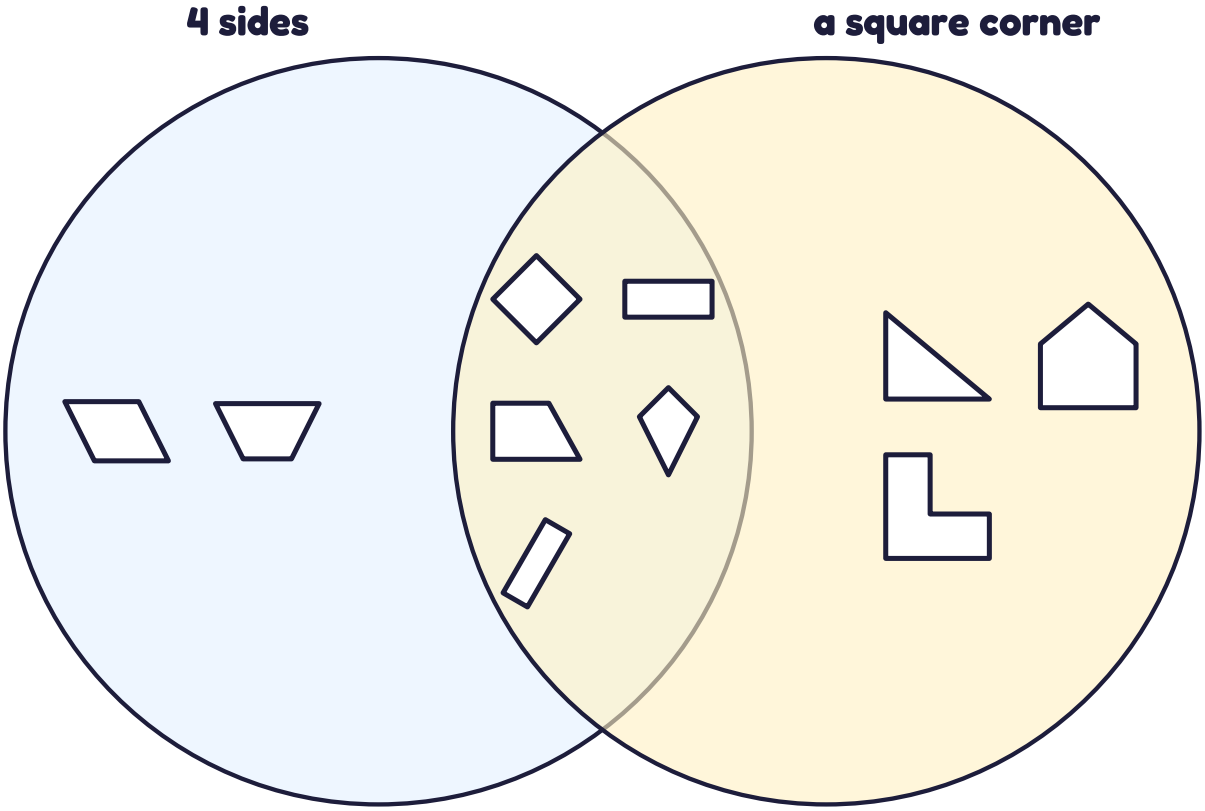

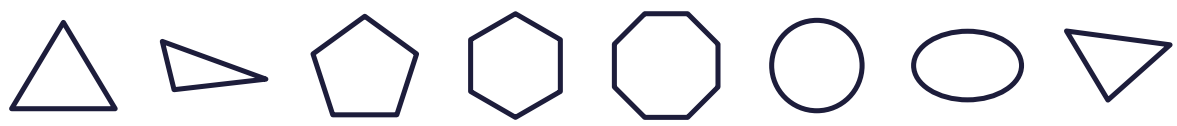

neither

Answers: shape sort, level 1

3 sides	4 sides	More than 4 sides	Curved
			

Answers: shape sort, level 2

neither
