Christmas in summer, Christmas in winter

December is summer south of the equator and winter in the north

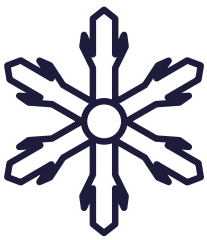

New Zealand, Australia and other places in the south: summer

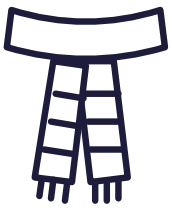

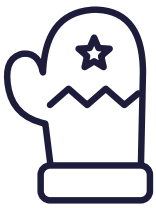

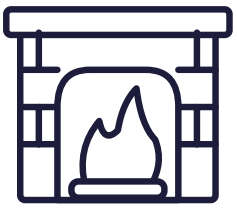

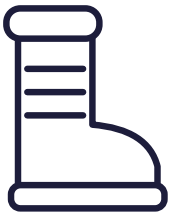

The UK, Ireland, Canada, the US and other places in the north: winter

In both:

Some families do not celebrate Christmas. Everyone has summer or winter.

Hot or cold Christmas?

Cut out the pictures. Stick each one under summer, winter or both.

summer	winter	both

Cut out the pictures:

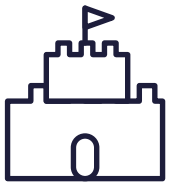

Answers: hot or cold Christmas sort

summer

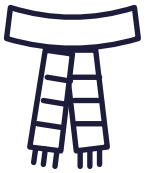

winter

both
