Complete the symmetrical picture: level 1

Shade squares on the other side of the red line so both halves match.

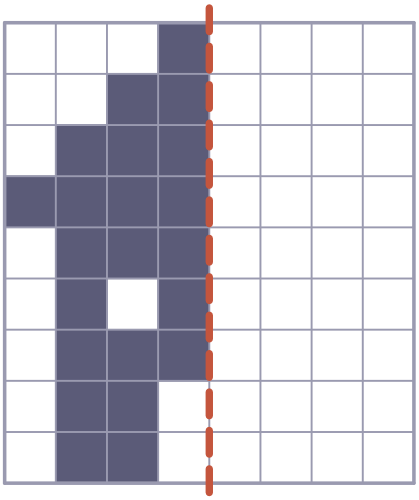

1 rocket

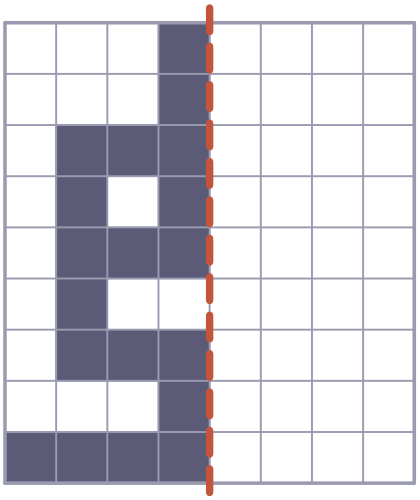

2 tree

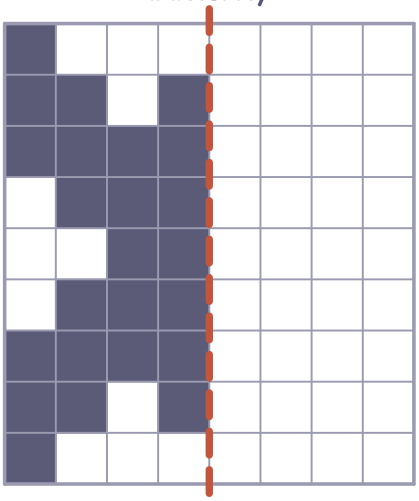

3 house

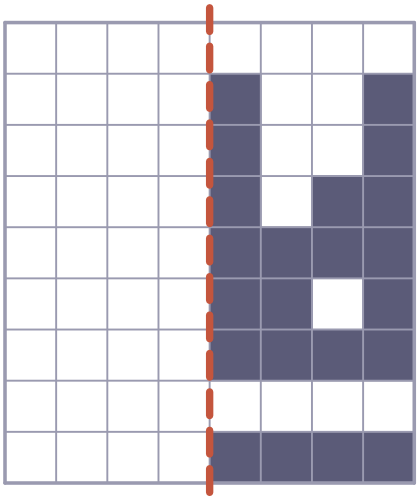

4 robot

5 butterfly

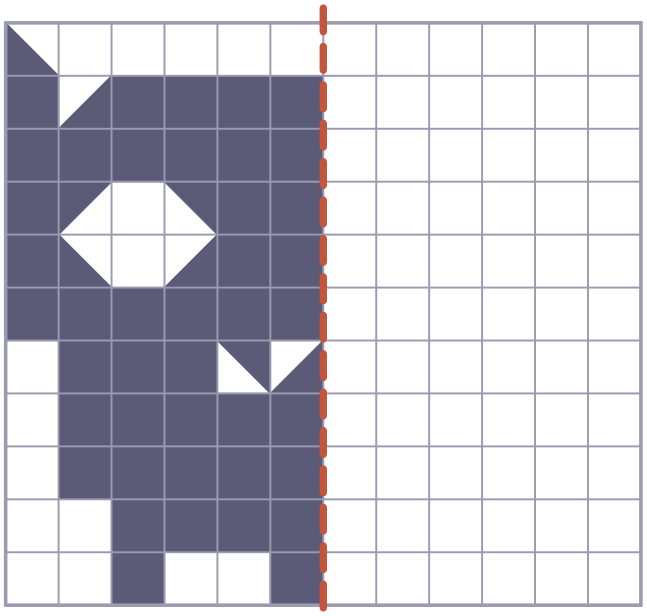

6 crown

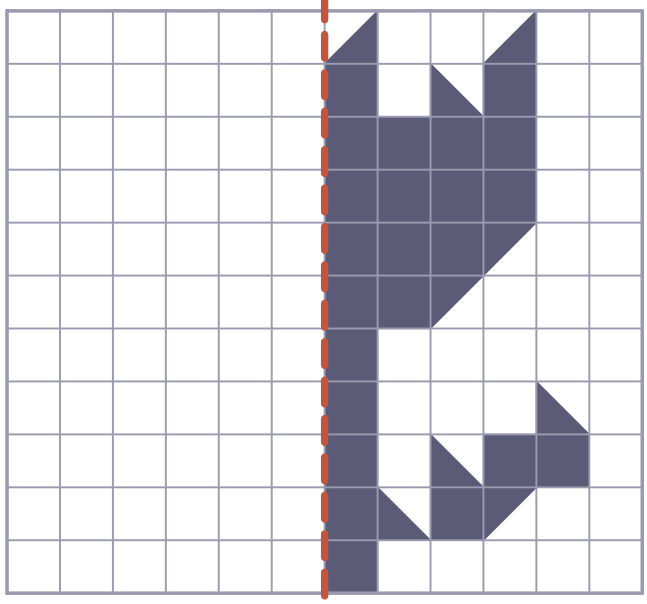

Complete the symmetrical picture: level 2

Some squares are cut in half on a slant: copy the slant the mirror way.

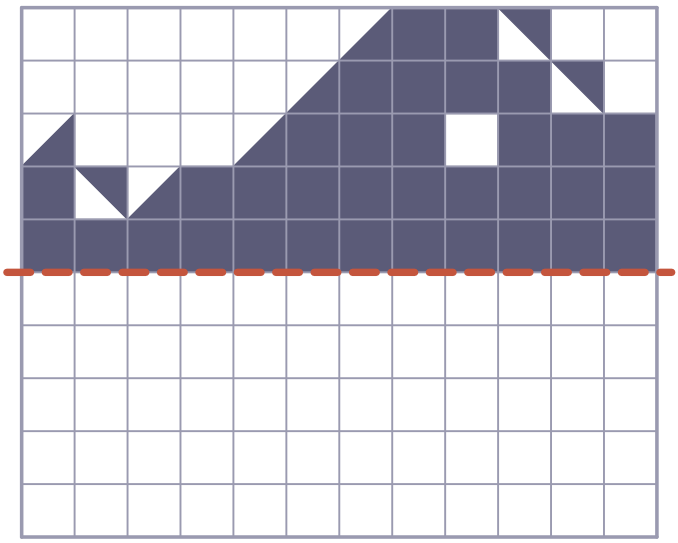

1 owl

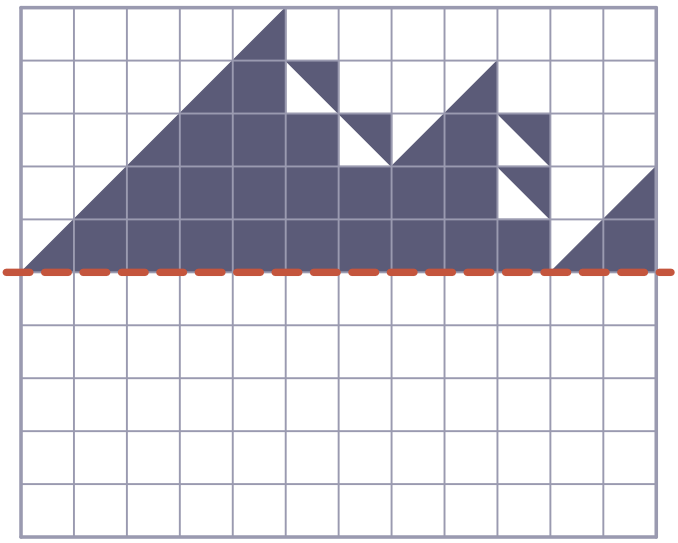

2 tulip

3 fish

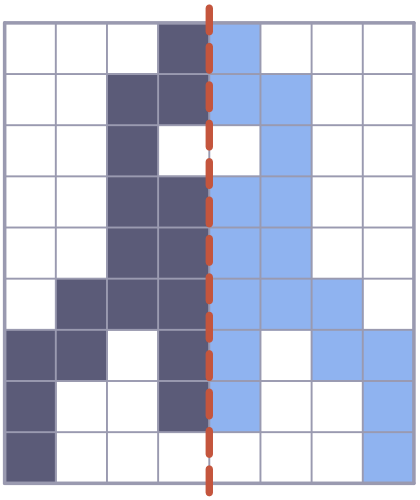

4 mountain and lake

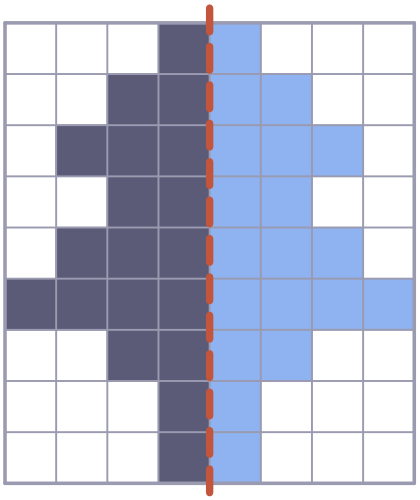

Answers: complete the symmetrical picture, level 1
