Symmetry sort cards

Cut out the 18 cards. Fold or use a mirror to test each one, then sort it on a mat.

Symmetry sort: symmetrical or not?

Does the card have at least one line of symmetry?

Symmetrical	Not symmetrical

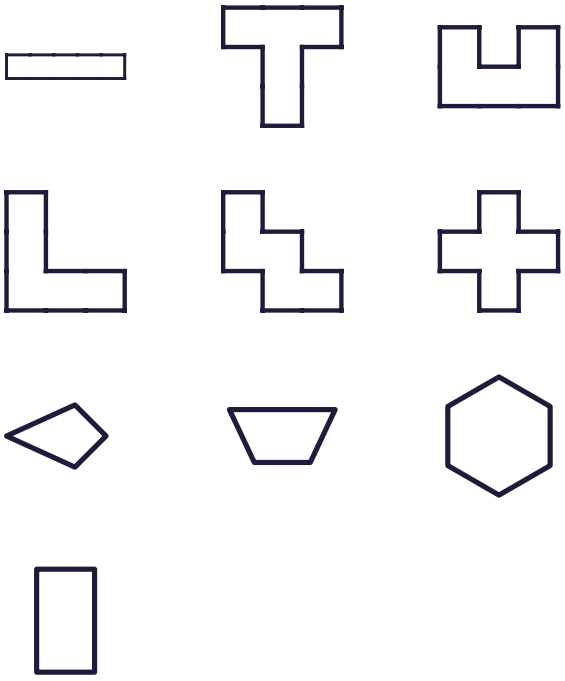

Symmetry sort: how many lines?

Count every line of symmetry. Remember lines that slope.

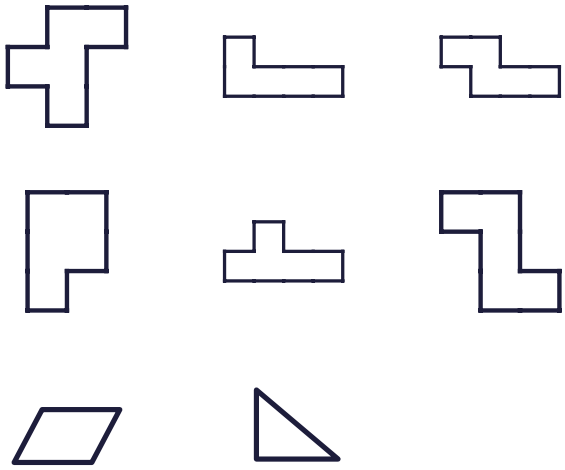

No lines	1 line	2 or more lines

Answers: symmetry sort, level 1

Symmetrical

Not symmetrical

Answers: symmetry sort, level 2

No lines	1 line	2 or more lines
