3D Paper Star Template

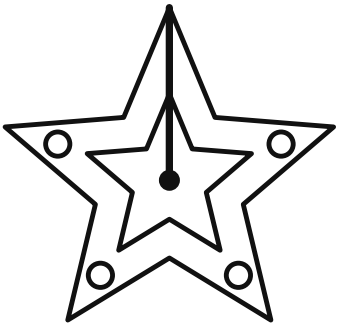

Cut out both stars, cut each slit to the dot, then slide them together

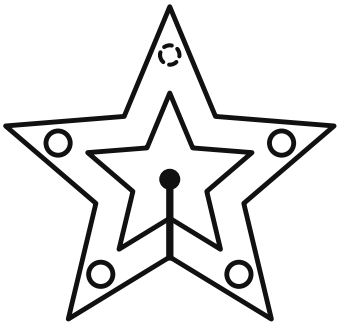

Star 1: cut from the top point to the dot

Star 2: cut from the bottom up to the dot

Star 1: cut from the top point to the dot

Star 2: cut from the bottom up to the dot

1 Colour both stars. For colour on both sides, print two sheets and glue them back to back.

2 Cut round each star, then cut the thick slit line as far as the dot.

3 Slide the slit of star 2 down into the slit of star 1 until the dots meet.

4 Thread a string through the hole to hang it.
