Garden centre: role-play set-up

Set it up, model a role for a few minutes, then step back

Put out

pots and real or silk plants

big seeds in clear tubs

watering cans

trowels and scoops

baskets

a till and play money

labels and pens

flowers to sell

Roles to try

Gardener, shop helper, customer, delivery driver

Words to model

seed, soil, roots, shoot, water, light, grow, pot, plant, buy, sell, how much

Questions to ask

Which plant would you like? What does it need to grow? Where will you plant it? How tall will it grow?

Small world

Small-world version: a tray of soil or compost with pebbles, sticks for fences, small pots, toy minibeasts and the life-cycle cards.

Safety

Use big seeds only with an adult watching, and check every plant is safe before it goes in the play area. Wash hands after soil.
