Our sunflower

Cut out the cards. Stick them in order, then tell the story.

1	2	3
4	5	

Cut out the cards and stick them in order:

A big flower opens.

Leaves grow in the light.

Plant a seed in the soil.

Give it water.

Roots grow down and a shoot comes up.

Answers: our sunflower

1

Plant a seed in the soil.

2

Give it water.

3

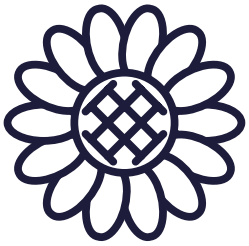

Roots grow down and a shoot comes up.

4

Leaves grow in the light.

5

A big flower opens.
