Safe near roads

Six things we do every time

Hold a grown-up's hand near roads.

Walk on the pavement.

Stop at the kerb. Look and listen.

Cross at a crossing with a grown-up.

Wear a helmet on a bike or scooter.

Buckle up in a car seat that fits.

Cars drive on the left here, and on the right in many other countries, so we say: look both ways, and keep looking as you cross.
