Christmas cards

How to make it · 20–40 minutes

You need

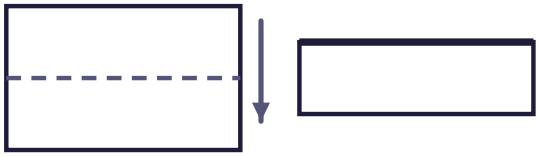

Card or thick paper · Scissors and a glue stick · Tissue paper for the window card (optional)

1

Colour the front of the card.

2

Fold the sheet in half along the dashed line, printed side out.

3

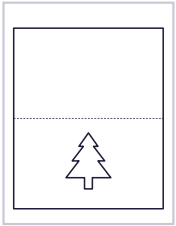

Write your message inside and sign your name on the back.

4

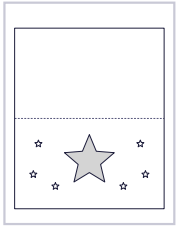

Pop-up card: cut the two short lines across the fold, push the step forward and glue the tree to it.

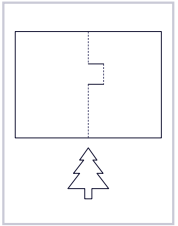

Pick a level: print only the page you need
