Christmas tree

How to make it · 10–30 minutes

You need

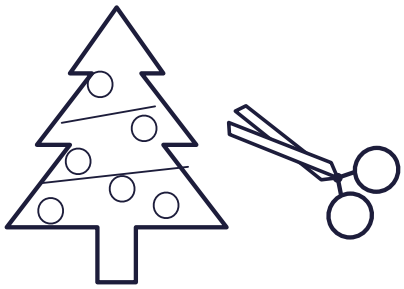

Green card or paper · Scissors and glue · Sequins, stickers or paper dots

1

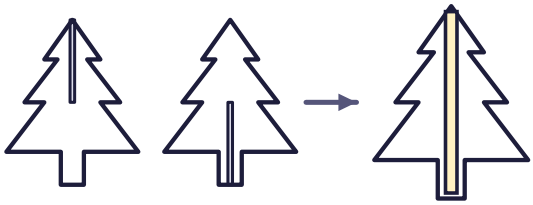

Colour the tree and its baubles, or glue on sequins and paper dots.

2

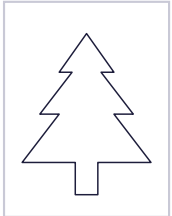

Cut along the solid line, trunk and all.

3

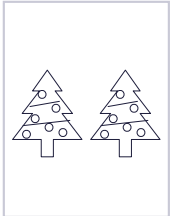

For the 3D tree: cut the grey slots and slide two halves together so the tree stands up.

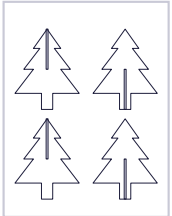

Pick a level: print only the page you need
